

## **ACKNOWLEDGEMENT**

After Almighty, to submit this thesis to its existing form, I have been obliging to many advisers and zealots whose help and guidance, I thankfully endorse. I am excessively indebted to the help protracted to me by my supervisor. He has been encouraging and promoting me during the entire procedure of my research. Without his supervision, this work could not have been concluded.

I would also like to forward my profound impression of acknowledgment to Dr. Bir Singh Yadav (Rtd) for having faith on me, Dr. Sanjiv Kumar (HoD) for encouraging me continuously and providing me second chance to complete this research work, Dr. Snehsata and other faculty members of Dept. of English & Foreign Languages, Central University of Haryana, Mahendergarh who extended extreme assistance and equipped me with all the essential convenience accelerate my work.

I am immensely grateful to my grandparents, parents, siblings especially Vaishali, in-laws and my husband for their inspiration, emotional support and blessing during the anticipation of the work and I also express my affection towards my kids who continued my enthusiasm in the perseverance of the succession of scepticism and to all my friends and companions who abetted me in one or the other way in concluding the thesis.

Last but not least, I would like to convey thanks to Mr. Naresh Kumar (Assistant Librarian) and his colleagues in the Central University Library for providing peaceful and inspiring environment in the library during my research work.
