

Acknowledgment

Upon having reached this triumphant moment, words fall short of expressing feelings of my heart; however I want to acknowledge the help and support received from well-wishers in the completion of my work. The thesis would not have been possible without guidance and support of numerous people. I am thankful to a number of people who provide their valuable insight and remarkable inputs thereby in enabling me to complete this work.

Firstly I express my heartfelt gratitude to my parents Mrs. Krishna Devi & Mr. D.N.Sharma then, I express my heartfelt gratitude Dr. Satish Kumar (Supervisor) & Dr. Ravinder Singh (Co-Supervisor) for giving me the opportunity to do the Research work and for providing me this learning experience in this esteemed organization and for bestowing upon me the honour of being my guide, despite his extremely busy administrative as well as academic schedule. His Indefatigable zeal is a source of inspiration for all researchers. I consider myself indeed fortunate for having been able to work under his scholarly guidance.

Heartiest thanks to Prof. Moolchand Sharma (Ex V.C. Central University of Haryana) and Major General (Dr) Ranjit Singh, Prof.D.C.Vasisth, Prof. H.S.Chandalia, Prof. U. P. Sinha, Dr. Bir Singh, Dr. K. N. Jha, Dr. Anand Sharma, Dr. Chanchal Sharma, Dr. Rajiv Singh, Dr. R. P. Singh all faculty members, Dr. Dinesh Kaushik librarian and all other staffs of my esteemed University for their time to time assistance and all faculty members of University who gave very elite suggestions and valuable guidance during the duration of my research.

I am very great full for the staff and library members of the IDSA (Institute of Defence and strategic Analysis), University of Delhi, NMML, YMCA

and IIMC New Delhi for their help and services. This research, of course, could not have been carried out without the generosity of all the respondents that form the bedrock of this thesis. I extend my deep gratitude to them, as well as to the many other respondents who wished to remain anonymous. Without your generous contributions, this thesis would not have seen the light of day.

I would like to thank Ms. Purnima, Mr. Anubhav Puskar, Mr. Arun Kumar, Mr. Pankaj Sharma, Mr. Waseem, Mr. Kulvant Singh and Dr. Shilpa Singh for their inspiration to do this work and fellow Ph.D. candidates for their kind assistance and support from the early days of the research work. All of you help me with your innate generosity, grace and good cheer. Thank you for being the inexhaustible source of moral strength that I could continuously draw from all of you. I would like to thank all the persons whom I met and they gave their valuable time to answer my queries.

Lastly I would express my sincere thanks to all my batch mates and all juniors for their cooperation. I am extremely obliged and highly thankful all those who have contributed to completion of this Research.
