

CONTENTS

Chapter No.	Names	Page No.
1.	Introduction	1
	1.1 Introduction	1
	1.2 Statement of the problems	5
	1.3 Objectives of the Study	6
	1.4 Significance and Limitation of the study:	7
	1.5 Organization of the Study	7
2.	Profile FPI and Agriculture	9
	2.1 Introduction	9
	2.2 Definition of FPI	9
	2.3 Industry Basic Classification:	10
	2.4 Historical Perspective.	12
	2.5 Contribution of FPI in GDP:	13
	2.6 Sectors and products wise Processing of Agricultural and Agricultural Allied Sector in India	14
	2.7 Fruits and Vegetables Processing	15
	2.8 Meat Processing	16
	2.9 Fish Processing	17
	2.10 Milk Processing:	17
	2.11 Consumer Industries	18
	2.12 Oil Milling Sector Oilseeds	19
	2.13 Pulses Milling and Flour Milling Sector	20
	2.14 Major Characteristics of the Indian FPI	21

2.15 Foreign Direct Investment in Food Processing Sector	22
2.16 Competitive advantage that India enjoys in the field of FPI	24
2.17 Govt. Policy	25
2.17.1. Vision 2015 Action Plan	27
2.17.2 Mega Food Parks	27
2.17.3 Agri Export Zones	27
2.18 Contribution of FPI & Agriculture in GDP	27
2.19 Profile of Agriculture	28
2.20 Performance of Agriculture	28
2.21 Production of F&Vs in India	30
2.22 Advantage of Agriculture Sector	31
2.23 Major Inputs and outputs of Agriculture and Allied sectors	33
2.24 Conclusion	38
3. Review of Literature	40
3.1 Introduction	40
3.2 Conclusion	92
4. Relevance of FPI in India	94
4.1 Introduction	94
4.2 Employment through FPI	94
4.3 Post-harvest Management of F&V through FPI	97
4.4 Food Security through FPI	102
4.5 How the Food Processing and Agro-Based Industries help to Women Empowerment	105
4.5.1 Case studies	107
4.6 Factors Driving Demand for Processed Foods	109
4.6.1 Changing age profile-	109
4.6.2 Increase in income	109

4.6.3	Social changes	109
4.6.4	Life style factors	109
4.6.5	Organized Retail outlets-	109
4.7	Opportunities	110
4.8	Challenges	110
4.9	Constraints	111
5.	Linkages Between Agriculture and FPI	112
5.1	Introduction	112
5.2	Sectoral Linkages	112
5.3	Methodology	113
5.4	The construction of table the Input-Output Transactions Table Appendix-1	115
5.5	Computation of Income Effects	115
5.6	Measurement of Sectoral Linkages	116
5.7	Inter-Industry Linkages	117
5.8	Backward-Forward Linkages	118
5.9	Income effect	119
5.10	Conclusion	120
6.	Empirical Analysis	125
6.1	Introduction	125
6.2	Method of Analysis	126
6.3	Unit root test	126
6.3.1	Augmented Dickey-Fuller (ADF) Test:	126
6.3.2	Phillips-Perron Unit Root Test	128
6.4	Co-integration Test:	129
6.5	Co-integration and Error Correction Mechanism (ECM)	129
6.6	Conclusion	130
7.	Conclusion	135
7.1	Introduction	135

7.2 Suggestion

138

8. **Bibliography**

140-151
