

Acknowledgements

I extend my fathomless sense of indebtedness to my supervisor Dr. Manoj K. Vidyalankar and co-supervisor Mrs. Rinu to guide, espouse and encourage me without which it would have not been possible for me to complete this too hard task for me.

I am truly grateful to Dr. Sanjiv Kumar (HoD), Dr. Bir Singh Yadav, Mr. Sudeep Ahlawat, Dr. Snehsata for their support and good wishes.

I sincerely express my heartiest thanks to Dr. Narendra Kumar and his colleagues in the University Library, for their help and assistance in locating relevant books and articles in university library.

I specially thank Mr. Daljeet and Mr. Deepu for their support and good wishes. I specially thank Miss Monika and Mr. Yespal Singh for their careful reviews and suggestions.

I wish to express my gratitude towards my parents whose bottomless confidence and faith in me always led me through every moment of my life.

Above all I thank almighty Lord Krishana for giving me the patience to complete this research.
