

## **ACKNOWLEDGEMENTS**

Acknowledgements are not the full expression of one's gratitude towards the person whose help is acknowledged. Language is an inadequate medium to express one's sentiments. But it is the only way. One can record one's gratefulness and indebtedness to one's guide and benefactors.

It is my great privilege to express my sincere gratitude to my supervisor **Dr. Raghendra Pratap Singh**. He always guided me in a constructive, sympathetic, encouraging and affectionate way. It would have not been possible for me to complete this study in this short duration, without his help.

I have been lucky in having the valuable help and encouragement of my parents and family members who have helped me in every possible way during the course of this study.

I will be wrong on my part if I do not pay a word of thanks to Mr. Jitender Sharma, Sharma Computers, Rewari who helped me a lot in successful completion of this dissertation.
