

ACKNOWLEDGEMENT

All thanks and acclaims goes to the parents for giving me the effortless and vitality to finish this research work effectively. I express my most profound thanks to the Prof. R.C Kuhad, Hon'ble Vice-chancellor sir and Head, Department Economics, Central University of Haryana for providing all possible facilities and creating an environment encouraging for research in the University.

I express my sincere gratitude to my supervisor, Dr. Ranjan Aneja, Department of Economics, Central University of Haryana, Mahendargarh for his continuous support to my dissertation and research for his calmness, motivation, enthusiasm, and immense knowledge. His guidance helped me in all the time of research and writing of this dissertation. He took time out from his tight schedule to read my dissertation and correct this works thoroughly, ensuring that I did a perfect work.

I express my cordial thanks to faculty members of Department of Economics for their valuable suggestions, recommendations and motivations during the period of my research.

I am thankful to my friends and roommates for listening and offering me advice, and supporting me through this entire process the entire process of study. I am also thankful to Ranjeet sir (Research Assistant), Ruchita, Dipika, Sweety Garg, Sushila, Alok Kumar Yadav, Ajay Kumar, Kuldeep, Saurabh Sharma and Praveen for their valuable advice and help in this research work.

At last but not least, I express my thanks to library staffs, teaching and non-teaching staffs of the university to help me as invisible hands in my research work.

Santosh kumar Nimoria
