

## ACKNOWLEDGEMENT

All thanks and acclaims goes to the God for giving me the effortless and vitality to finish this research work effectively. I express my most profound on account of the Hon'ble Vice-Chancellor, Central University of Haryana for providing all possible facilities and creating an environment encouraging for research in the University.

I express my sincere gratitude to my supervisor, Dr. Ajeet kumar Sahoo, Assistant Professor, Department of Economics, Central University of Haryana, Mahendargarh for his continuous support to my study for his calmness, motivation, enthusiasm, and immense knowledge.

Special thanks to Dr. Ranjan Aneja, Assistant Professor, Department of Economics, Central University of Haryana, Mahendargarh, his guidance helped me in all the time of research and writing of this dissertation. Without his help and encouragement this dissertation would not have been finished.

My deepest thanks goes to my family; my parents for their love, care, support and most importantly for supporting me spiritually throughout writing this dissertation and especially to my Dadaji, who always support me in my decisions and my study.

To my friend, class mates and roommates, thank you for listening, offering me advice, and supporting me through this entire process. Special thanks to my best friends Naseeb, Ruchita, Deepika and also to Alok, Kuldeep Sir, Ranjeet Sir for their support and care.

I also wish to show appreciation to all faculty members of department of economics, Central University of Haryana for their encouragement and suggestions throughout my study.
