

Acknowledgement

I am exceptionally thankful to my supervisor Dr. Sarika Sharma, Head of Department, Department of Education for her invaluable guidance, motivation and inspiration during my research. She coloured my knowledge with her multidisciplinary vision and transformed my static character into dynamic one. Her caring affection and encouragement for research work is unforgettable.

I am exceedingly appreciative of my supervisor Dr. Sarika Sharma, for her meticulous supervision, stimulus and brainwave and for offering me generous upbringing to deal with the topic of research in my own style. She deserves my deepest appreciation for presenting himself to me both as a proactive professor and an excellent friend during research in the Dept. of Education, Central University Haryana, Mahendergarh. She always blessed me with his creative ideas without which it would have been impossible for me to complete this work. I document my sincere appreciation for her unvarying encouragement and creative initiatives in the process of my improvement. The more I appreciate her the less it is for her.

My deepest thanks also goes to Dr. Renu Yadav for her continuous support, guidance or help to complete my work. I would like to thank the other teachers of my department; Dr. Dinesh and Mrs. Aarti Yadav who were involved with me and suggested me for the latest updating in research and its changing scenario. I also regard them for their encouragement, insightful comments, and motivation. In particular, I am grateful to my teachers for enlightening me the first glance of research.

It gives me immense pleasure to express my regards for my loving Father (Ab. Samad Lone) and my mother (Smt. zaana Banu) and my brother Tariq Ahmad Lone who is pursuing Ph.D. without their support I could not have been able to realize my dream of conducting research.

I am also thankful to research scholars Jawaid Ahmd Itoo, Mohd. Haneef Kumar, Mohd Rafiq Kumar, Khursheed Ahmad Dar , Showkat Hussain Itoo, Altaf Rasool Shaksaz , Suraj Kumar and G.M Khan and many more friends Raja Irfan, Bilal Ahmad Rather and Rayees Ahmad Ganaie for their magnanimous support and encouragement. Lastly, I convey my sincere thanks to all who contributed and helped me while carrying out the research work.

My sincere thanks is for all my class mates and research scholars. Thank also goes to the support staff especially e-lab and Library of the university, where they helped me out in my basic needs regarding this study.
