I am highly indebted to Central University of Haryana for providing me the platform for research and for so many opportunities that have helped me in realizing my own worth. I am immensely obliged to my supervisor, Dr. Ritu Tomer Rathi, for her invaluable directions, persistent support and encouragement during the entire course of this work.

I express my sincere thanks to Professor Rajul Bhargava who helped me during the whole course of my research work. I am also grateful to Dr. Bir Singh, Dr. Sanjiv Kumar, Ms. Shobhna Jeet and Dr. Ashwanifor helping me in the best possible ways and for allowing me all the facilities necessary for the completion of this work. I am also thankful to my classmates and friends for their self-less supports and encouragement from time to time during my research work. Here I would be failing in my duties if I do not mention my friend, Sunita, a research scholar in the Department of Geography, MDU Rohtak, who has assisted me in several ways.

I would also like to thank the staff of library, and the non-teaching staff of Central University of Haryana for providing me with books and the other material relevant to my studies.
