

ACKNOWLEDGEMENTS

All thanks and deepest love go to my Guru for giving me blessings to finish this research work effectively. I express my most profound on account of the Hon'ble Vice-Chancellor Prof. R. C. Kuhad, Central University of Haryana for providing all possible facilities; and creating an environment encouraging for research in the University.

I thank to my supervisor, Dr. Ajeet Kumar Sahoo, Assistant Professor, Department of Economics, Central University of Haryana, without his vibrant guidance this research work was not possible.

My Special thanks to Dr. Ranjan Aneja, Head, Department of Economics; Central University of Haryana, Mahendergarh, for his guidance helped me in all the time of this research.

I am very much thankful to Dr. Manoj Kumar, Assistant professor, Department of Economics, for his valuable suggestion during the research work.

My deepest thanks Dr Vijay.S. Jariwala Assistant Professor, Post Graduate Department of Economics; Sardar Patel University Anand, Gujrat and my elder brother Aruna Kumar Nishanka, Ph.D. Scholar Berhampur University & my parents for their love, blessing supports throughout writing this dissertation.

Finally I would like to thank all faculty members of Department of Economics and administration of Central University of Haryana for their encouragement, throughout my study.

At last but not the least, my special thanks goes to all who contributed and helped me directly and indirectly to complete my research study.

(Subrat Kumar Nishanka)
