

Acknowledgement

First and foremost I offer my sincerest gratitude to my supervisor, **Dr. Sarika Sharma, Head of Department, Department of Education** who provided me the opportunity to research on current and contextual topic in my M. Phil. program which can be a small contributing service to this area. I am so deeply grateful for her help, professionalism, and valuable guidance and for her patience, motivation, enthusiasm, and immense knowledge. Throughout this project and through my entire program of study I express my deep and sincere appreciation.

My deepest thanks also goes to *Dr. Renu Yadav* for her continuous support, guidance or help to complete my work. I would like to thank the other teachers of my department; *Dr. Dinesh Chahal* and *Mrs. Aarti Yadav* who were involved with me and suggested me for the latest updating in research and its changing scenario. I also regards them for their encouragement, insightful comments, and motivation. In particular, I am grateful to my teachers for enlightening me the first glance of research.

I would also like to acknowledge my fellow friends (*Rajkumar, Madhusmita Behera, Anash Kumar Das and Mirza Muneeb Manan*) and senior research scholars (*Suraj Kumar, Bhagat Singh, Jayant Hooda, Rajesh Kumar*) of Central University of Haryana, who helped me out in various problems which come in front of me in research, and continues support in terms of knowledge, during the course and this research program as well. My sincere thanks is for all my class mates and research scholars. Thank also goes to the support staff especially e-lab and Library of the university, where they helped me out in my basic needs regarding this study.

I also thanks to the various Heads and Teachers of the college, where I visited and their support which I got from their side, and helped me out in collection of data, through this I would be able to complete my research work.

Finally, my deepest gratitude goes to my brother **Harendra Kumar Thakur** for their unflagging love and their support throughout my life and my studies. My parents made me live the most unique, magic, and carefree childhood that have made me who I am now.

Ravindra Kumar Thakur
