

ACKNOWLEDGEMENT

No project is a solo task; I have been blessed to find skilful and helpful people who have guided me throughout this task. These people my teachers, friends and classmates have helped me to write review and learn things during the duration of this project. Without their cooperation, advice and guidance this project would not have been possible. First of all I express my sincerest gratitude towards God, who has granted me the opportunity to undertake such a project and given me the strength to carry it out till the end. I express my respectful gratitude to Dr. Sanjeev Kumar, Head, Dept. of English and Foreign Languages without his knowledgeable insights, this work would not have been possible.

I would like to thank my supervisor Dr. Manoj Kumar Vidyalankar for his support and encouragement during this research work.
