I thank God for this day and the moment; HE makes me eligible to acknowledge the best people to make my life purposeful.

Writing acknowledgment gives me an opportunity to express my heartfelt gratitude to my teachers. I would like to say thanks to all teachers who have come in my life.

Thank you very much my dear teachers!

One who develops a consciousness into human being is a teacher. They teach you, what is right and what is wrong. Firstly, it is a matter of immense pleasure for me to express my heartfelt and sincere gratitude to my learned supervisor Dr. Bir Singh Yadav, Associate Professor of English, Central University of Haryana for the sustained support of my research work in the Ph.D. study and related area of research, forbearance nature, motivational talks and of course for immense knowledge. His constant support, enlightened guidance and the way of correcting mistakes helped me in all the time of writing for thesis. He is an embodiment of spiritual values that can be felt in his philosophy of 'simple living and high thinking'.

During the period of my Ph.D. study, I am witness of seeing a smooth administration under able Vice Chancellors. I am thankful enough to Prof. Mool Chand Sharma, founder VC of the Central University of Haryana, for his motivational speeches on various occasions. And I also would like to express my thanks to the present VC, Prof. R.C.Kuhad for providing an academic support to all scholars on the campus.

Besides my supervisor, I would like to say a word for my parents - "Thank you God!" - And I don't want to make their austerity (*Mother Prakash and Father Sh*

*Puran Chand ji* ) lessens by saying them a small word like “thanks”. I would pray God to keep me blessed with their countless blessings.

My sincere thanks also goes to Dr. Sanjiv Kumar, Associate Professor & Head of the Dept. of English at Central University of Haryana, a reputed English scholar, an honest and hardworking teacher whose encouragement from various perspectives helped me to complete this study. I thank my younger sister, Deepa for her selfless love and respect. I am grateful to them for helping me in my ups and downs.

No words can express my gratitude to my wife Seema who has been tirelessly helping me since the day she became the part of my life. My kids, Sukritya and Shubhkirti give me the strength to keep going on when I feel like giving up.

This study would have never been possible, without the help of the library staff of Central University of Haryana, Libraries of Kurukshetra University, and Punjabi University of Patiala where I paid my visits during my research work.
