

## LIST OF FIGURES

Figure 5.1	Trend growth rates of total income of cultivators from all income sources	92
Figure 5.2	Trend growth rate of average per household income from all income sources	94
Figure 5.3	Trend growth rate of average per capita income from all income sources	95
Figure 5.4	Trend growth rates of average per adult male unit income from all income sources	97
Figure 5.5	Trend growth rate of total income from farm cultivation (size-wise)	99
Figure 5.6	Trend growth rate of average per household incomes from farm cultivation (size-wise)	101
Figure 5.7	Trend growth rate of average per capita incomes from farm cultivation (size-wise)	103
Figure 5.8	Trend growth rate of average per adult male unit incomes from farm cultivation	104
Figure 5.9	Trend growth rate of total expenditure on food items (all families)	107
Figure 5.10	Trend growth rate of per household expenditure on food items (all families)	109
Figure 5.11	Trend growth rate of per capita expenditure on food items (all families)	111
Figure 5.12	Trend growth rate of per adult male unit expenditure on food items (all families)	112
Figure 5.13	Trend growth rate of total expenditure on non-food items (all families)	115
Figure 5.14	Trend growth rate of per household expenditure on non-food items (all families)	117
Figure 5.15	Trend growth rate of per capita expenditure on non-food items (all families)	119

Figure 5.16 Trend growth rate of per adult male unit expenditure on non-food items (all families)	121
Figure 6.1 Relationship between total income and food expenditure of households	127
Figure 6.2 Relationship between Engel curve of total income and non-food expenditure of household's	129
Figure 6.3 Percentage share of food items of cultivators	131
Figure 6.4 Percentage share of non-food items of cultivators	132
Figure 6.5 Engel curve of total income and total expenditure of households	134
Figure 6.6 Engel curve of total income and total expenditure according to size of holding (below-2.0 hectares)	138
Figure 6.7 Engel curve of total income and total expenditure according to size of holding (2.0- 4-0 hectares)	140
Figure 6.8 Engel curve of total income and total expenditure according to size of holding (4.0-7.5 hectares)	142
Figure 6.9 Engel curves of total income and total expenditure according to size of holdings (7.5-10.0 hectares)	144
Figure 6.10 Engel curve of total income and total expenditure according to size of holdings (10.0 & above hectares)	146
