

ACKNOWLEDGEMENT

First and foremost I would like to extend my profound gratitude to my supervisor, **Dr. Renu Yadav, Assistant Prof., School of Education** for the continuous support of during doctoral research. I am thankful to her for her patience, motivation, enthusiasm, and immense knowledge. She steered me in the right direction. She is motherly figure who nourished me as a child, with compassion. She was always with me academically as well as emotionally throughout my research work. Due to her guidance and emotional help I am able to complete my work. I could not have imagined having a better advisor and mentor for my Ph.D study than her. I express my deep and sincere appreciation to her.

My deepest thanks also go to Dr. Sarika Sharma, and Dr. Pramod, Head of the Department, for their continuous support, guidance or help to complete my work. I am gratefully indebted to them. I would like to thanks the other teachers of my department: Dr. Dinesh Chahal and Dr.Aarti Yadav who were involved in my research work and suggested me for the latest updates in research and its changing scenario. I also regard them for their encouragement, insightful comments, and motivation.

I would also like to acknowledge my fellow friends and senior research scholars of Central University of Haryana, who helped me out in various problems which come in front of me in research, and continues support in terms of knowledge, during the course work and research program. My sincere thanks is due to my class mates and research scholars. My special thanks also goes to the support staff especially e-lab and Library of the university, where they helped me out in my basic needs regarding this study. I also thanks to Heads and Teachers of the schools, where I visited and their support, which I got from their side. They helped me open heartedly in collection of

data for present study that converted in thesis. My heartily thanks and love go to the students who participated enthusiastically during intervention program.

My deepest gratitude goes to my family for their unflagging love and their support throughout my life and my studies. My parents made me live the most unique, magic, and carefree childhood that have made me who I am now.

Last but not least, my special thanks go to that unseen force which works behind the success of every human being and for giving me strength and courage in completing my thesis and blessing me in each and every step of my life.

Annu Kumari
