

ACKNOWLEDGEMENTS

First of all, I am highly obliged to express my gratitude to my supervisor **Dr. Manoj K. Gupta** for his guidance, cooperation, constant support and encouragement during my Ph.D. work. He has really been a great source of motivation and inspiration. His extraordinary scientific vision and invaluable suggestions allow me to successfully accomplish my research goal. I can't thank enough for caring and positive attitude he had for me throughout this journey. I really think I can't express my gratitude in words but one thing I want to say if anyone has supervisor like him, this journey which demands a lot of patience, sacrifice and hard work can become smooth. He always boosted my confidence whenever I was little down. I want to thank him again for this marvelous journey and kind support.

My heartfelt thank goes to my co-supervisor **Dr. Bhoopendra Tiwari** who held my hands in the much needed time. He provided me everything that I needed for pursuit of my research. He always motivated me to achieve goals which were beyond my capabilities and helped me to realize what all I can do. I always look up to him for motivation. His constant encouragement motivated me to do more hard work. I used to see his passion towards research and that is one of the reason I could have completed this long period of time with enthusiasm and honesty. I am eternally grateful and indebted to him for all the ways in which he has prepared me to move forward in my career and life.

I am also thankful to **Prof. Deepak Pant**, Head, Department of Chemistry, CUH and **Dr. Rajeev S. Menon**, members of the advisory committee for monitoring the research progress and offering their insightful comments, ingenious suggestions and active support.

I wish to express my sincere gratitude to:

- **Prof. A. J. Varma** former Head, Department of Chemistry, Central University of Haryana for his encouragement and sharing research experience during initial days of my Ph.D.

- **Dr. Vinod Kumar, Dr. Harish Kumar, Dr. Prakash Kanoo and Dr. Azaj Ansari** - Department of Chemistry, Central University of Haryana for giving invaluable suggestions and create stimulating working environment.
- **Dr. Suja T. D.** – Central University of Haryana for the outstanding advice, active support throughout this journey.
- **Dr. Jawahar L. Jat** - Department of Chemistry, Babasaheb Bhimrao Ambedkar University (A Central University) Lucknow, India for encouragement and active support during the research work.

I pay a special thanks to all lab members who were always present with me in all discussions, sharing all moments during this long journey. You guys made this journey very beautiful. I want to thank *Mr. Deepak Yadav, Mrs. Oval, Mr. Anand, Mrs. Eqvinshi, Ms Monika, Mr. Manjeet Nehra, Ms. Sharol* and all other research scholars from department of chemistry, Central University of Haryana for the immense support at each and every moment. My lab mates from Centre of Biomedical Research *Dr. Monika Mishra, Dr. Ranadeep Talukdar, Mr. Chandra Bhan Pandey, Mr. Ram Subhawan Verma, Ms. Tazeen, Mr. Vikram Singh, Ms Hemlata, Mr. Bal Krishna Mishra* also deserve a very big thanks from the depth of my heart. Thanks to all for making it an amazing experience.

Best friends always play a great role in every sphere of life. I would like to sincerely commend all my friends from other walks of life especially *Mr. Vikas Yadav, Mr. Vipin Arora, Mrs. Pooja, Mrs. Kusum, Mr. Rajkumar, Dr. Manoj Shrivash, Dr. Ajay Verma, Mr. Nirmal Saha, Mr. Amit Mondal, Mr. Anshul, Mr. Manveer Patel, Mr. Anand Sharma, Mr. Ajay Yadav, Mr. Dinesh, Mr. Puneet* for helping me to achieve the best in life through their constant encouragement.

I would like to give special thanks to **Mr. Vikram Singh** – Centre of Biomedical Research, Lucknow for helping me in my ups and down in this journey. He made my journey memorable.

I want to give special credit to **Mr. Chandra Bhan Pandey** and **Mr. Deepak Yadav** for their moral support whenever I needed.

I wish to thank **CSIR** for their financial assistance and **CUH** for allowing me to submit my work in the form of thesis.

Everybody confines in family. For me this journey was not only of me. Each and every member of my family from my Late Grandfather to my little niece lived this journey with me. I want to thank them for believing in me so religiously. My grandmother **Smt. Shanti Devi** and grandfather Late **Shri Prem Raj Khatana** has the greatest role in shaping my life in right direction. My grandfather is no more with me but I can always feel his presence. I would like to give deepest thank to them for their unconditional love and support. My parents **Shri Ram Pal Khatana** and **Smt. Roshni Devi** played a great role in every step of my life. I learnt from them how to be hard working and consistent in my work. I would like to give sincerest thank to them for all the financial, mental support and their true affection. My brother **Mr. Dayanand Khatana** and sister-in-law **Mrs. Suman** who were always there to support me mentally and financially deserve a special place in my research work. I am lucky to have my beloved sister **Mrs. Monika** and brother-in-law **Mr. Sandeep** whose continuous support and encouragement have been a source of inspiration in completion of this tough task. My little nephew **Aayush** and niece **Anshika** made me feel relaxed during this entire time whenever I meet them.

I would like to mention special contribution of my dear wife **Mrs. Pinky** who has gone out of her all possible way to support me. She always made sure I was mentally happy and peaceful. She never complained about the sacrifice she has done to make this happen. She always pushed me towards my goal. I want to give deepest thank to her for this level of pure love, care and understanding.

It is difficult to mention all who helped me during this beautiful journey. I must thank all those whom I have failed to state and helped me in various ways for achieving my goal.

Finally, I would like to thank almighty god for giving me immense strength and only with his blessings this journey could have been so wonderful and peaceful.

Anil Kumar
