

ACKNOWLEDGEMENTS

At first, I wish to thank the almighty for giving me powers to complete my entire course and research program. I wish to deliver my sincere thanks to Dr. Kashyap Kumar Dubey, School of Biotechnology, Jawaharlal Nehru University, New Delhi, whose philosophical and practical advice always helped me to follow this tough path with ease. He always listened to me and provided everything in terms of encouragement, support, boost and a familiar environment in the lab. I will never forget his continuous moral support, encouraging attitude, critical analysis, judgments, valuable suggestions and friendly behaviour that has been my great source of strength throughout my research work. I will be always obliged for him for providing me opportunity to work as research scholar under his kind guidance, listening to my research ideas with patience and treating me as friend not like a student during this whole journey. Sir, thank you very much.

I would like to convey my sincere thanks to Head of the Department Biotechnology, Prof. Bijender Singh for providing research facility, encouragement and support during the tenure of this study.

I am also thankful to faculty member of Biotechnology Department, Prof. Dinesh Kumar, Dr. Ram gopal Nitharwal, Dr. Ravi Kumar, Dr. Namrata Dhaka and Dr. Inderjeet Kaur for their constant help and motivation.

I would like to acknowledge Dr. Mrinal Kanti Mandal, Dr. Vinod Kumar, Dr. Gulab Singh, Prof. Satish Kumar, Dr. Ashwani, Dr. Pawan Kumar Maurya, Dr. Avijit Parmanik, Dr. Tejpal Dhewa and Dr. Puneet Kumar for their encouragement and help during the tenure of this study.

It gives me immense pleasure to mention the names of my lab mates Ms. Khushboo and Mrs. Manisha Sharma, Mr. Vinod Kumar, Mrs. Karuna Yadav, Mrs. Pinky, Ms. Indu and Mrs. Pratiksha for their constant help and support during this journey.

No words can adequately convey my thanks to my friends, batch mates, my seniors and my junior colleagues Mr. Mony Thakur, Mr. Rajkamal Vibhuti, Ms. Jyoti Yadav, Mr. Prakash Yadav, Mr. Adrash Shukla, Mr. Aman Kumar, Mr. Vikram Poria, Mr. Anand Yadav,

Ms. Himanshu, Mr. Akshay Kumar and Mr. Manjeet for their cooperation and pleasant companionship in this journey.

The endless love, affection, sacrifice and constant inspiration from my family members and relatives enabled me to touch this ambition. My vocabulary utterly fails in expressing my respect and love to whole family members for their support during study.

A big thanks to each and every person who has somewhere somehow, been linked to me during completion of my research work.

I also acknowledge the UGC, New Delhi, India for the fellowship through a CSIR-UGC-JRF during the course of this investigation. DBT, Ministry of Science and Technology, GoI, New Delhi, for Inno-Indigo research project [Grant number: BT/IN/INNO-INDIGO/26/MKM/2015-16] provided sophisticated instrument for analysis and chemicals for experimentation.

Last but certainly not the least; I am again extremely thankful to the Almighty God for his grace and blessings, which provided me courage to sail through this journey.
