

ACKNOWLEDGEMENT

This thesis is an outcome of the collective efforts of many individuals. Upon having reached this triumphant moment, words fall short of expressing feelings of my heart; to acknowledge the help and support received from various corners during the completion of my research work. This research would not have been possible without the support and guidance of hundreds hands. I am highly obliged to each and every one for their kind support. I am thankful to a number of people who provided their valuable insight and remarkable inputs thereby enabling me to complete this research work.

Firstly I want to pay tribute to my beloved grandfather Late Shri Shispal Yadav for his inspiration and benediction from heaven that proved as a motivating force throughout my studies.

I am especially thankful to Dr. Sunita Tanwar, Assistant Professor, Department of Management Studies, Central University of Haryana, Mahendergarh for her guidance, co-operation, and invaluable inputs to my research work. She helped me to make this study valuable for investors and financial market. Her indefatigable zeal is a source of inspiration for all the researchers. I consider myself indeed fortunate for having been able to work under his scholarly guidance, despite her extremely busy administrative as well as academic schedule..

Heartiest thanks to Prof. R. C Kuhad (Vice –Chancellor), Dr. Anand Sharma (HOD), Dr. A.P. Sharma, Dr. Ajay Kumar, Ms. Divya and all other faculty member of Central University of Haryana who gave very elite suggestion and valuable guidance in my research. I am also thankful to Dr. Vinod Kumar Singh and the library staff for their cooperation and timely assistance.

I am highly thankful for the great support from banking staff and staff of different organistaion of the Haryana for their valuable time, help and support. I am very grateful for the people of Haryana especially businessmen respondents who cooperated me in the data collection. This research of course could not have been carried out without their kindness. I extend my deep gratitude to them, as well as to other respondents who wished to remain anonymous. Without your generous contribution, this thesis would not have seen the light of the day.

I express my heartfelt gratitude to my grandmother, father, mother, brother and in-laws for their encouragement that enabled me to do this research work. I would also like to thank my seniors, friends, and fellow PhD candidates for their inspiration, assistance and support from the early days of the research work. Thank you for being the inexhaustible source of moral strength that I could continuously draws from all of you. I would like to thank the entire person whom I met and gave their valuable time to respond my queries.

This research work is dedicated to my better half Mr. Laxman Singh and my daughter Anika Singh for their support and constant encouragement.

I wish to pay my heartily thanks to all who have even provided visible or invisible contribution in completion of this study.

Above all, I bow my head before the Almighty who gave me patience to complete this tough task with continuous endeavors.
