

ACKNOWLEDGEMENT

First and foremost, I would like to greet my dear parents for their blessings throughout my research work to complete it successfully. I would also express my deep and sincere gratitude to my supervisor Dr. Rinu for her continuous support to my M.Phil. study and research, for her patience, motivation, enthusiasm, and immense knowledge. Her guidance helped me all the time to complete this research project successfully on time. I wish I would have a better advisor, mentor, and supervisor like her.

In addition to my supervisor, I express my gratitude to the head of department Prof. Sanjiv Kumar, and other faculty members Dr. Manoj Kumar Vidyalanker, Dr. Snehsata, and Dr. Sudeep Kumar for their invaluable guidance and cooperation during the research work.

My sincere thank also goes to the seniors Siddharth Pratapa and Vivek Sain for their time-to-time directions about research methodology, discussion on my topic and cooperation before and during my research, stimulated me to do such adventure. I also thanks to my fellow classmates Tariq, Jasvir, Rafi, Anuradha, Puneet, Anashwara, Suchi, and Seema and Ph.D Scholars Niharika and Radhika for having valuable and substantial discussion on research techniques and tactics, helped a lot to complete my dissertation successfully.

I am really grateful to library staff of Central University of Haryana who helped me find books and study material suited to my project.

Last but not the least, my heartfelt thanks to my dear brothers Vijay Kumar Maurya and Shubham Maurya, with them I discussed multiple times about my research, and as always, they energized and supported me to complete this research project with full dedication. I will always be indebted to my dear and near friends

Rakesh, Pankaj, Sujit, Prashant, Rohit, Ritesh, and Vivek for their comic and serious advice to handle problems coming to research.
